## NOTICE OF PROPOSED NON-HISTORIC USE PRODUCTION PERMITS AND PUBLIC HEARING

The Southern Trinity Groundwater Conservation District (“District”) proposes action on applications for Non-Historic Use Production Permits (“NHUPPs”), which would authorize the permittees to withdraw groundwater from the Trinity Aquifers, in the Hensell & Hosston Zones, according to the terms and conditions set forth in the proposed permits. A copy of the general manager’s proposed action, the proposed NHUPPs and technical summaries are available for public inspection at the District’s offices at 420 North 6<sup>th</sup> Street, Waco, Texas Monday through Thursday, 8 a.m.-11 a.m.

The District will conduct a public hearing pursuant to its authority under Chapter 8821 of the Texas Special District Local Laws Code, Chapter 36 of the Texas Water Code and the District’s rules, to consider issuance of the proposed NHUPPs and to provide interested members of the public the opportunity to appear and provide oral or written comments to the District regarding the proposed permits at the following date, time and place:

Date: Wednesday, March 25, 2026  
Time: 12:30 p.m.  
Location: 900 Washington Avenue, Suite 800  
Waco, Texas 76701
